

Terri Schmiesing

Board Member at Large, Appointed 2025

Term expires June 2027

About me:

Terri Schmiesing (she / her) grew up in Minnesota, South Dakota, and Virginia. She attended the University of Virginia and Portland State University, where she received her BA in Accounting and Masters in Business Administration. She worked in Operations Finance at Intel Corporation for 26 years and currently works as a tax and accounting consultant.

Terri moved to the Pacific Northwest in 1995 and has never looked back! She loves kayaking, hiking, and camping with her husband Paul, adult children Berg and Reese, and four dogs. She has a very large extended family in South Dakota and does her best to visit them often.

Something you may not know about me:

Terri serves on the board of a hospice organization and is passionate about bringing animal therapy to hospitals and care facilities.

My wishes for UCCWC:

She has been a member of UCCWC since 2010 and has served on the board in the past. Terri wishes for us to be a radically welcoming spiritual home for all who enter.
