

Upcoming Worship Focus - March 8, 2026

What Holds Us Together
Rev. Julián Jamaica Soto

Not all transformation is about becoming new—some of it is about the ability to adapt that allows us to continue forward. We reflect on the forces, seen and unseen, that bind bodies, communities, and worlds. What if holiness is less about change than about staying connected?

**Daylight Saving Time begins next Sunday, March 8, 2026.
Please remember to set your clocks *forward* one hour.**

Those needing ramp access to the sanctuary and the lower level of the building, please use the handicap parking spots on Birch, on the south side of the building. To reach the Sanctuary go up the ramp at the back of the church (east side) or use the ramp on the south side to get to the lower level. There is also a ramp to the front door of the Parish House.

An FM hearing assistance system is available for use during worship service. Each receiver has a volume control and little ear-bud headphones. The receivers also can couple to hearing aids that have tele-coil pick-ups. If you would like to use a receiver, please check with the Worship Associate on duty or one of the Usher/Greeters.
