To reach the Sanctuary go up the ramp at the back of the church (east side) or use the ramp on the south side to get to the lower level. There is also a ramp to the front door of the Parish House.

An FM hearing assistance system is available for use during worship service. Each receiver has a volume control and little ear-bud headphones. The receivers also can couple to hearing aids that have tele-coil pick-ups. If you would like to use a receiver, please check with the Worship Associate on duty or one of the Usher/Greeters.
